RE: Yorkshire and North West Region Visit to London

We hope and pray that the programme we have created will be of benefit to you.

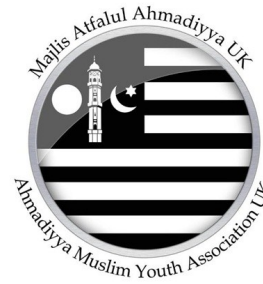

We are looking forward to meeting and hosting our atfal brothers from Yorkshire and North West, so that new bonds of friendship and brotherhood can be developed, and these bonds continue to blossom.

We hope that this visit creates a strengthened and a closer bond, and love of atfal to the blessed institute of Khilafat.

Should you have any queries regarding the event. Please don't hesitate to contact any of the members who's details have been provided at the front of the leaflet.
